

**CORNER GROWTH ACQUISITION
CORP.
AUDIT COMMITTEE CHARTER**

(Adopted on December 16, 2020)

1. GENERAL

The Audit Committee (the “*Committee*”) is a committee of the Board of Directors (the “*Board*”) of Corner Growth Acquisition Corp. (the “*Company*”).

2. PURPOSE

The Committee is appointed by the Board for the primary purposes of:

- Performing the Board’s oversight responsibilities as they relate to the Company’s accounting policies and internal controls, financial reporting practices, legal and regulatory compliance, and the audit of the Company’s financial statements, including, among other things:
 - the quality and integrity of the Company’s financial statements;
 - the Company’s compliance with legal and regulatory requirements;
 - review of the independent registered public accounting firm’s qualifications and independence; and
 - the performance of the Company’s internal audit function, including its design and implementation, and of the Company’s independent registered public accounting firm.
- Maintaining, through regularly scheduled meetings, a line of communication between the Board and the Company’s financial management, internal auditors, and independent registered public accounting firm, including providing such parties with appropriate opportunities to meet separately and privately with the Committee on a periodic basis; and
- Preparing the report to be included in the Company’s annual proxy statement, as required by the Securities and Exchange Commission’s (“*SEC*”) rules.

3. COMPOSITION AND QUALIFICATIONS

The Committee shall be appointed by, and may be replaced by, the Board and shall be comprised of three or more Directors (as determined from time to time by the Board, and subject to any phase-in rules for newly listed companies), each of whom shall meet the independence requirements of the Sarbanes-Oxley Act of 2002 (the “*Act*”), the listing standards of any exchange or national listing market system upon which the Company’s securities are listed or quoted for trading (including, without limitation, The Nasdaq Stock Market (“*Nasdaq*”)) and all other

applicable laws. The members of the Committee shall serve for such term or terms as the Board may determine or until earlier resignation or death.

The chairperson of the Committee shall be designated by the Board; *provided* that if the Board does not so designate a chairperson, the members of the Committee, by a majority vote, may designate a chairperson.

Any vacancy on the Committee shall be filled by majority vote of the Board. The Board may remove any member from the Committee at any time, with or without cause, by majority vote.

Prior to becoming a member of the audit committee of another public company, a director of the Company shall notify the Chairman of the Nominating Committee, the Chairman of the Board and the Chief Executive Officer to address whether the aggregate number of audit committee memberships would impair such director's effectiveness. In the event that the Board determines that the additional audit committee membership would impair such director's effectiveness, such director, upon request of the Board, shall either offer his or her resignation or not accept the other audit committee membership. No member of the Committee may serve simultaneously on the audit committee of more than two other public companies. Further, no member of the Committee shall have participated in the preparation of the Company's financial statements in the past three years.

Each member of the Committee shall be financially literate, as determined by the Board in its business judgment; *provided, however*, that each member of the Committee must be capable of reading and understanding fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable financial management expertise, experience, or background that results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities, as each such qualification is interpreted by the Board in its business judgment. In addition, at least one member of the Committee shall be an "audit committee financial expert," as such term is defined by the SEC pursuant to the Act, and such member shall be presumed to possess financial sophistication.

If a Committee member ceases to be independent for reasons outside the member's reasonable control, his or her membership on the Committee may continue until the earlier of the Company's next annual shareholders' meeting or one year from the occurrence of the event that caused the failure to qualify as independent. If the Company is not already relying on this provision, and falls out of compliance with the requirements regarding Committee composition due to a single vacancy on the Committee, then the Company will have until the earlier of the next annual shareholders' meeting or one year from the occurrence of the event that caused the failure to comply with this requirement. The Company shall provide notice to Nasdaq immediately upon learning of the event or circumstance that caused the non-compliance, if it expects to rely on either of these provisions for a cure period.

One director who does not meet the Nasdaq definition of independence, but who meets the criteria set forth in Section 10A(m)(3) under the Exchange Act and the rules thereunder, and who is not a current officer or employee or a family member of such individual, may serve for no more than two years on the Committee if the Board, under exceptional and limited

circumstances, determines that such individual's membership is required by the best interests of the Company and its shareholders. Such individual must satisfy the independence requirements set forth in Section 10A(m)(3) of the Exchange Act, and may not chair the Committee. The use of this "exceptional and limited circumstances" exception, as well as the nature of the individual's relationship to the Company and the basis for the Board's determination, shall be disclosed in the Company's annual proxy statement.

4. MEETINGS OF THE COMMITTEE

The Committee shall meet as often as it determines necessary to carry out its duties and responsibilities, but no less frequently than once every fiscal quarter. The Committee, in its discretion, may ask members of management or others to attend its meetings (or portions thereof) and to provide pertinent information as necessary.

A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other shall constitute a quorum.

The Committee shall maintain written minutes of its meetings and records relating to those meetings.

5. RESPONSIBILITIES

In carrying out its duties and responsibilities, the Committee's policies and procedures should remain flexible, so that it may be in a position to best address, react or respond to changing circumstances or conditions. The following duties and responsibilities are within the authority of the Committee and the Committee shall, consistent with and subject to applicable law and rules and regulations promulgated by the SEC, Nasdaq, or any other applicable regulatory authority.

The Committee shall have the authority to delegate any of its responsibilities, along with the authority to take action in relation to such responsibilities, to one or more subcommittees as the Committee may deem appropriate in its sole discretion; *provided, however*, that any decision made by a subcommittee must be presented to the full Committee at its next scheduled meeting.

The duties set forth in the immediately preceding sentence are those of management and the

independent registered public accounting firm.

7. RELATED PARTY TRANSACTIONS POLICY

A. Definitions.

A “Related Party Transaction” is any transaction directly or indirectly involving any Related Party that would need to be disclosed under Item 404(a) of Regulation S-K. Under Item 404(a), the Company is required to disclose any transaction occurring since the beginning of the Company’s last fiscal year, or any currently proposed transaction, involving the Company where the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest. “Related Party Transaction” also includes any material amendment or modification to an existing Related Party Transaction.

“Related Party” means any of the following:

- a director (which term when used herein includes any director nominee);
- an executive officer;
- a person known by the Company to be the beneficial owner of more than 5% of the Company’s ordinary shares (a “5% shareholder”); or
- a person known by the Company to be an immediate family member of any of the foregoing.

“Immediate family member” means a child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of such director, executive officer, nominee for director, or 5% shareholder, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee for director, or 5% shareholder.

B. Identification of Potential Related Party Transactions.

The Committee shall review all Related Party Transactions on an ongoing basis, and any such Related Party Transactions may be brought to management’s and the Board’s attention in any manner deemed reasonable and advisable by the Committee in their business judgment. Each of the Company’s directors and executive officers shall inform the chairperson of the Committee of any potential Related Party Transactions. In addition, each such director or executive officer shall complete a questionnaire on an annual basis designed to elicit information about any potential Related Party Transactions.

Any potential Related Party Transactions that are brought to the Committee’s attention shall be analyzed by the Committee, in consultation with outside counsel or members of management, as appropriate, to determine whether the transaction or relationship does, in fact, constitute a Related Party Transaction requiring compliance with the provisions of this Charter.

C. *Review and Approval of Related Party Transactions.*

At each of its meetings, the Committee shall be provided with the details of each new, existing, or proposed Related Party Transaction, including the terms of the transaction, any contractual restrictions that the Company has already committed to, the business purpose of the transaction, and the benefits of the transaction to the Company and to the relevant Related Party. In determining whether to approve a Related Party Transaction, the Committee shall consider, among other factors, the following factors to the extent relevant to the Related Party Transaction:

- whether the terms of the Related Party Transaction are fair to the Company and on the same basis as would apply if the transaction was negotiated in good faith at arm's-length and did not involve a Related Party;
- whether there are business reasons for the Company to enter into the Related Party Transaction;
- whether the Related Party Transaction would impair the independence of an outside director;
- whether the Related Party Transaction would present an improper conflict of interest for any director or executive officer of the Company, taking into account the (i) size of the transaction, (ii) overall financial position of the director, executive officer, or Related Party, (iii) direct or indirect nature of the director's, executive officer's, or Related Party's interest in the transaction, (iv) ongoing nature of any proposed relationship, and (v) any other factors the Committee deems relevant; and
- any pre-existing contractual obligations.

Any member of the Committee who has an interest in the Related Party Transaction under review by the Committee shall abstain from voting on the approval of the Related Party Transaction, but may, if so requested by the chairperson of the Committee, participate in some or all of the Committee's discussions of the Related Party Transaction. Upon completion of its review of the Related Party Transaction, the Committee may determine to permit or to prohibit the Related Party Transaction.

A Related Party Transaction entered into without pre-approval of the Committee shall not be deemed to violate the provisions of this Charter, or be invalid or unenforceable, so long as the transaction is brought to the Committee as promptly as reasonably practical after it is entered into or after it becomes reasonably apparent that the transaction is covered by this Charter.

The Committee shall keep the Company's independent registered public accounting firm informed of the Committee's understanding of the relationships and transactions with any Related Party that are material to the Company. The Committee shall review and discuss with the independent registered public accounting firm such firm's evaluation of the Company's identification of, account for, and disclosure of its relationships and transactions with any Related Party, including any material matters arising from the audit of the Company's relationships and transactions with any Related Party.

A Related Party Transaction entered into prior to the effective date of this Charter shall not be required to be reapproved by the Committee.

8. INVESTIGATIONS AND STUDIES; OUTSIDE ADVISORS

The Committee, in its sole discretion, may conduct or authorize investigations into or studies of matters within the Committee's scope of responsibilities. Further, the Committee, in its sole discretion and at the Company's expense, may obtain independent counsel or other consultants or advisors as it deems necessary to fulfill its duties and responsibilities under this Charter. The Committee shall set the compensation, and oversee the work, of any outside counsel and other advisors.

* * *

To fulfill its obligations, the Committee relies upon: management for the preparation and accuracy of the Company's financial statements; both management and the Company's internal audit department for establishing effective internal controls and procedures to ensure the Company's compliance with accounting standards, financial reporting procedures, and applicable laws and regulations; and the Company's independent registered public accounting firm for an unbiased, diligent audit or review, as applicable, of the Company's financial statements and the effectiveness of the Company's internal controls. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of the Company, it is not the duty or responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information and (ii) the accuracy of the financial and other information provided to the Committee absent actual knowledge to the contrary.

Nothing contained in this Charter is intended to create, or should be construed as creating, any responsibility or liability of the members of the Committee, except to the extent otherwise provided under applicable federal or state law.
